Remarks

This is gorgeous and better than the new four-bedroom, three-bath home in the gated community of Asher Pointe. This beautiful Ironwood plan has a great room layout with an island in the kitchen, a separate dining room off the kitchen, a split floor plan, and lots of storage. Many upgraded touches have been added, including granite countertops, plank flooring everywhere except for the bedrooms, ceiling fans in every room, designer lighting, and a prewired Cox smart home. Gorgeous, easy-care backyard with artificial turf, pavers, a covered patio, and low maintenance plants, the community has green belts and park and play areas nearby.
